

ADAPTABLE FLAT MOP KIT DESIGNED FOR WAVEBRAKE®

SKU: 2132426

ADAPTABLE FLAT MOP KIT DESIGNED FOR WAVEBRAKE®

The Adaptable Flat Mop Kit Designed for WaveBrake® is a wringable microfiber mopping system that allows you to integrate microfiber mopping into your current cleaning process, using your existing WaveBrake® Mop Bucket, with the benefit of offering a better clean with less effort. While removing 99.7% or more of tested viruses and bacteria † with water only for improved cleaning efficacy, this flat mop cleans floors faster, floors dry quicker, and allows for greater floor coverage. Ideal for cleaning large areas and tough messes.

FEATURES & BENEFITS

- Increase productivity by mopping floors 15% faster* with the microfiber pads. Floors dry 4X faster allowing you to complete your clean quicker, compared to RCP large cotton string mops. (*Based on third party testing vs RCP 24oz Super Stitch Blend Wet Mop)
- Wringable microfiber mopping solution made to work with your existing WaveBrake® Mop Bucket by simply using the Adaptable Flat Mop Wringer Insert (2132425).
- Microfiber construction makes this flat mop 7% more absorbent, compared to RCP large cotton string mops, with the 18 in. Adaptable Flat Mop Frame allowing for greater floor coverage. Perfect for large spaces, big messes and spills.
- Microfiber removes 99.7% or more of tested viruses and bacteria† with water only to help improve cleaning efficacy †Tested Virus: Feline Calicivirus (surrogate for Norovirus) †Tested Bacteria: MRSA, Pseudo, C.diff
†Not tested on SARS-CoV-2, the virus that causes COVID-19

ADAPTABLE FLAT MOP KIT DESIGNED FOR WAVEBRAKE®

SKU: 2132426

- Ergonomically designed microfiber pad and frame is 70% lighter when full soaked, compared to RCP large cotton string mops
- Microfiber pads are tested to withstand up to 200 machine wash cycles (100 cycles with bleach) and lasts 6X longer, compared to RCP large cotton mops, for an extended product life. Pad comes in a variety of colors: blue, red and green.
- Quick-Connect handle can adjust to your preferred height by extending from 48 in. to 72 in.
- Conveniently located clips help avoid contact with the mop pad during disposal
- Red clips are built to withstand up to 24lbs. of force for a strong connection to the frame. Strong black tabs connect to frame via red clips to hold mop pad on during rinsing and wringing.
- Kit includes: One Adaptable Flat Mop Frame (2132428); Two Adaptable Flat Mop Pad, Blue (2132427); One WaveBrake Wringer Insert (2132425); & One Extendable Quick-Connect Handle (FGQ75500YL00)
